

Venkatraman G

STUDENT

Objective

Recent graduate in Data Science seeking a Python-Django development internship to apply and enhance skills in web development and machine learning integration.

Professional Summary

Dedicated and adaptable Data Science graduate with a passion for Python-Django development. Proven ability in web development and machine learning integration. Eager to contribute skills and hands-on experience in a dynamic internship role.

Education

B.Education:

- B.Tech in Data Science
 - Sri Shakti Institute of Engineering and Technology, Coimbatore
 - Current Status: Pre-Final Year
 - Expected Graduation: [2021 - Present]
 - CGPA: 7.56/10
 - No History of Arrears
- Higher Secondary:
 - Nirmala Matha Convent Matriculation Higher Secondary School, Vellalore, Coimbatore
 - Completion Date: [2020-2021]
 - Percentage: 90%
- High School:
 - Nirmala Matha Convent Matriculation Higher Secondary School, Vellalore, Coimbatore
 - Completion Date: [2018-2019]
 - Percentage: 90%

Projects

1. **Multi-Page Chatroom Website (Django)** Developed a dynamic chatroom website using Django without traditional channels and sockets. Showcased proficiency in Django, HTML, CSS, and JavaScript.
2. **Machine Learning Integration (Django)** Integrated machine learning projects with Django, connecting Django to a machine learning model. Demonstrated versatility and adaptability in cross-disciplinary projects.
3. **Vehicle Rental System (Console App - SQLite)** Implemented a console application with a SQLite database for a vehicle rental system. Designed a client-server architecture, showcasing CRUD operations and database management skills.
4. **Disease Prediction App (Streamlit - SVM Model)** Developed a disease prediction app using Streamlit, incorporating an SVM model with simple linear regression. Demonstrated proficiency in data visualization and machine learning model deployment.
